

## Aino-Mari Kiiänmies

LLM, M.Sc.(Econ.), M.Soc.Sc., PhD Candidate on leadership

Aino-Mari Kiiänmies helps individuals and organisations to build and lead performance. Her multidisciplinary, research-oriented background combined with nearly 10 years' experience, knowhow and networks of an agile start-up culture gives her a solid base to systems thinking, problem solving and execution. In her early career, she led expert teams e.g. in law drafting investigations and lectured business in universities and schools. She understands numbers as well as human behaviour and brings to the table fresh Millennial energy and viewpoints.

- Fresh Millennial viewpoints for strategy work
- Hands-on experience of running all the functions of a startup
- Practices, knowhow and networks of an agile startup culture
- Understanding of numbers as well as human behavior
- Expertise in building and leading performance
- Multidisciplinary background: LLM, M.Sc.(Econ.), M.Soc.Sc., PhD Candidate on leadership
