

Kaisa Olkkonen, LLM, born 1964

- Kaisa Olkkonen is an experienced leader and expert in international business, legal, intellectual property, business environment and digitization related matters. She has a long international leadership experience with AGA Ab and Nokia Corporation.
- Her tasks have covered a broad range of international legal and intellectual property matters and a global responsibility for interest representation work. Most recently her focus has been in digitization related questions including among others privacy, cybersecurity and telecom regulation and matters relating to functioning of global trade.
- She also has an extensive experience in leading diverse and international expert teams, also through change and transition. During her career, she has lived on assignments in Sweden, Singapore and Belgium.
- She has also participated in the business management team work in Oy AGA Ab and several Nokia Corporation units for more than 10 years.
- Kaisa does not own SSH shares and would be an independent member of the board.
